

# MP ENRICH

**5 Fe + 3 Zn + VM3**

Dexlated Chelate plus VM3 Technology

## 4 UNIQUE FEATURES

- Polydexlated chelated Iron and Zinc will not cause leaf burn
- Supplies balanced Iron and Zinc with optimal pH
- Accentuates rich green colour
- Safe tank mixing with MP Superior Liquid Range

## THE FUNCTIONS OF MP ENRICH FERTILISER

- Significantly builds turf colour
- Increase in microbial activity
- Assists in the recovery from environmental stress

**20 L**  
**200 L**  
**1000 L**

**SUPERIOR**  
**LIQUID NUTRITION**

## SHAKE WELL BEFORE USE

### Dexlated Chelate plus VM3

MP ENRICH delivers Iron and Zinc to turf in a chelated form that will not cause leaf burn or the typical "instant blackening" effect. Instead a rich green colour will gradually develop over the first few hours after spraying and will hold well. MP ENRICH contains VM3, a proprietary organic technology that enhances nutrient availability, longevity and compatibility for better turf performance. VM3 is a product of fermentation that incorporates several beneficial bacteria, trace minerals and plant stimulants.

### DIRECTIONS FOR USE

Contains humates and kelp

SITUATION	RATE/HA	COMMENTS
Foliar application: Greens, fairways and all sports and amenity turf	20-40 L	Apply in 150-500 L/ha of water

Read the entire label before use.

### NUTRIENT ANALYSIS
